Comment:

- a. Report confirms previous information*. The designation Stanka Zavod was reported for the first time.
- b. The attached plant sketch fully confirmed previously received sketches as to the locations of the main buildings. Data on measurements varies.
- c. According to report, the plant is located exactly south of the road and railroad bridges over the Neyva River. A previous report stated that the plant was somewhat southeast of these bridges. Further information is required to clarify this point.
